

BIO
Mohammed S. Uddin

Mohammed S. Uddin graduated from medical school in 1968 and completed his training in internal medicine and gastroenterology in New York. He taught in medical school and practiced gastroenterology for nearly four decades. He is board certified in Internal Medicine and Gastroenterology. He is a fellow of the Americal College of Gastroenterology and the American College of Physicians.

He served as the chairperson of the department of Gastroenterology and worked on the ethics and bylaw committees of the hospitals. As a member of the faculty, he taught medical students, nurses and paramedics. While in practice, he devoted his time in community teaching through lectures, seminars and news media. He published articles on various topics. Presently he is serving the city council as a member of the Board of Health.

As a community member, he had the opportunity to organize the local Muslim communities and participated in building Islamic centers and writing constitutions. He served as president and treasurer of the Boards and chairman of the Judiciary Committee.

In his retirement, he devotes his time to understanding and teaching Islam. His interest is Qur'an, Science and Spirituality. His writings include *Far Beyond My Comprehension, Modern Medicine in the Light of Islam*, and *Hajj- a concourse of body, mind, and soul*. He published papers previously in the *Al-Jumu'ah* print magazine.

Dr. Uddin believes that the source of all knowledge is Allah (SWT); the Holy Book, the Qur'an, is His Words to convey knowledge to mankind; Prophet Muhammad (ﷺ) is the teacher and conveyer of that Message; the Creation is the manifestation of Allah's Attributes, which are the avenues for us to know Allah (SWT) without seeing Him in this life.
